

Ocutech User Questionnaire

Answer as few or as many questions as you would like :)

1. Where do you live?
2. Which Ocutech product do you wear?
3. When did you discover that you had low vision?
4. Who is your low vision doctor and where are they located?
5. How has your Ocutech bioptic helped you?
6. If you could share one piece of advice/ wisdom/ knowledge, what would it be?
7. Tell us something special/cool about yourself.

Thank you for taking the time to share with us! We love to hear stories about how Ocutech has benefited the visually impaired community- It is your stories that help inspire others living with low vision. Please feel free to share additional information/experiences and/or pictures/videos of you wearing your bioptics! By submitting this questionnaire, you are providing Ocutech permission to share your story on our [website](#) and Social Media Sites. If you would like to receive an official Ocutech cap as our token of appreciation for you time, please provide your mailing address when you send us your story! Thanks again and we look forward to hearing from you!
